

For Ss Peter & Paul's RC Primary Academy: 2015-16

Amount of PE & School Sport Grant: £10,000

Information to show the Impact the Primary PE Funding is having on:

1. Ss Peter & Paul's is one of 20 local First/Primary Schools that have pooled all Primary PE Funding to maintain the Blyth & Bedlington School Sport Programme. A service level agreement has been established across not just the Primary sector but also the Secondary schools that the pupils feed into which helps with transition at KS2/3

2. **This allows all schools:**
 - Access to a dedicated specialist PE teacher on a weekly basis. These teachers have a family of schools they work with, so a relationship is built up between the school, staff and pupils allowing for more effective teaching.
 - Access to a competition/festival programme of 20 events for pupils in KS1&2 including dance & gymnastics. This is published at the end of the summer term so schools can plan well in advance.
 - Working in partnership with other local schools has allowed for the best use of funding as equipment can be shared and facility hire/transport costs have been negotiated a much lower rate. Demonstrates best use of funding.
 - Access to an extra-curricular programme of 20 weeks delivery provide by the local sports development unit at a specially negotiated rate. All coaches are 'quality assured' and have appropriate qualifications and clearances. They are all line managed by one person and feedback data is requested at the end of each delivery block.
 - Access to local CPD opportunities
 - A 6 week curriculum delivery block of the FA Soccer Skills programme
 - A single conduit for all external agencies to work through to gain access to schools e.g. FA/Soccer Skills programme and Judo programmes etc

3. **The PE funding has allowed all year groups to access High Quality PE on a weekly basis.**
 - SSP teacher works alongside a member of the teaching staff, in curriculum time, with pupils from all year groups on a weekly basis using our equipment bank
 - Ss Peter & Paul's Staff receive weekly CPD by working alongside SSP teacher. All staff gain access to this throughout the year on a rotational ½ term delivery basis.
 - This has allowed for a greater range of activities to be taught across KS1&2 e.g. Tag Rugby, athletics, tennis, speed agility & quickness work, multi-skill &

physical literacy, where we have provided the equipment to save costs to the school.

- Extra-curricular clubs have been in alternative sports e.g. Street dance, Ultimate Frisbee.
